

Dance Floor Size Chart

This chart provides a detailed guide to selecting the appropriate dance floor size based on the number of guests at your event. Use this information to ensure optimal space for dancing and guest comfort.

Dance floors must be protected by a tent, awning, or similar structure, as they cannot be exposed to any type of weather, including rain, sunlight, or other environmental conditions.

Party Size	Recommended Dance Floor Size
50-75 Guests	12'x12' (144 sq ft)
75-100 Guests	12'x18' (216 sq ft)
100-125 Guests	16'x16' (256 sq ft)
125-150 Guests	20'x20' (400 sq ft)
150-175 Guests	20'x24' (480 sq ft)
175-200 Guests	20'x24' (480 sq ft)
200-225 Guests	24'x24' (576 sq ft)
